Better Quality of Life

"I took my daughter and grandson to Micke Grove after Mitch fitted me with hearing aids. It was the first time I could hear what my grandson was saying to me!"

– Clarence Silva

Background Noise Eliminated

"I can't believe the difference in a restaurant! The new PDI technology really works. The noise behind us bothered my wife. I didn't notice it at all."

– Chet Warner

Outstanding Staff

"Debbie was a light at the end of the tunnel and made the transition very easy. It's been said that we all have angels, and Debbie has been one of mine."

– Jeanne Croce
