

# CAMLU

## Assisted Living Community

Camlu has been serving the San Joaquin County community since 1972. We value seniors and treat them with respect and integrity. George calls Camlu his home, and you will too!

Please join us for a complementary lunch and tour – experience first-hand why we have earned our excellent reputation! We want you to get to know us, take advantage of our short-term stay and special rates.

**Call today about our Respite  
Care Specials for the month of March!**

**“Camlu is the most  
delightful place and  
has brought me a lot of  
happiness, truly my home!”
