STATEMENT OF PROBABLE CAUSE

Affiant declares under penalty of perjury the following facts are true and there is probable cause to believe, and affiant does believe, the designated articles, property, and persons are now in the described locations, including all rooms, buildings, and structures used in connection with the premises and buildings adjoining them, the vehicles and the persons:

Your Affiant, Nathan Cogburn, declares I am a sworn peace officer and currently assigned to the investigations division as a detective specializing in cases concerning child abuse and sexual assault. Additionally, I supervise convicted sex offenders residing within the City of Tracy, where I have been dutifully employed as a police officer since February 2004. Moreover, I am a member of the Sacramento Valley Hi - Tech Crimes Task Force.

During my tenure as a police officer, I have investigated various cases involving an assortment of transgressions, specifically: violent crimes against persons, narcotics and controlled substances violations, sex crimes, domestic violence offenses, child sexual exploitation, Internet crimes against children, theft, forgery, identity theft, weapons violations, street-terrorism, municipal, state, and federal violations.

In 2003, I graduated from the 920-hour POST-certified Ray Simon Regional Criminal Justice Basic Police Academy. The extensive training encompassed no less than two-hundred (200) hours of homicide, sexual assault, child abuse, sexual exploitation of children, domestic violence, and property crimes investigations.

Throughout the duration of my employment, I received in-service training regarding child abuse crimes. Additionally, I conversed with detectives and senior officers with vast experience regarding the efficient and effective investigation of complex child abuse and sexual assault crimes. In conducting my own investigations, I interviewed and interrogated suspects involved in the aforementioned crimes and obtained both admissions and confessions from them. Moreover, I have consulted with crime scene technicians with regard to common types of evidence collected during the course of these investigations and the proper methods of obtaining and packaging said evidence. In all I have investigated, or assisted in the investigation of, a minimum of seventy child abuse / sexual assault cases.

I have completed the following training:

- **BA in English from UC Berkeley.**
- **MS in Emergency Services Administration from CSU Long Beach.**
- **80-hour training: Institute of Criminal Investigation (ICI) Core Course.**
- **80-hour training: ICI Homicide Investigation.**
- **40-hour training: ICI Child Abuse Investigation.**
- **40-hour training: ICI Sexual Assault Investigation.**
- **32-hour training: Encase 1 Computer Forensics.**
- **32-hour training: Cybercop 101 - Basic Data Recovery and Acquisition.**
- **24-hour training: ICI Interview and Interrogation.**
- **24-hour training: CNOA - Drug Abuse Recognition.**
- **21-hour training: 6th Annual Internet Crimes against Children (ICAC) Conference.**

NARRATIVE

On 12/01/08 at approximately 1530 hours, Tracy PD officers responded to the In-Shape Health Club located at 101 N. Tracy Blvd. concerning a suspicious circumstance. A 16-year-old male, subsequently identified as (V) [REDACTED] contacted employees at the gym requesting assistance — he was bleeding profusely, appeared extremely afraid, and a chain was attached to his ankle. AMR transported [REDACTED] to the Sutter Tracy Community Hospital for medical treatment and evaluation. Officers afterwards located witnesses who saw [REDACTED] climb over a sound wall separating a row of residences from the gym's parking lot.

During the course of the ensuing investigation, TPD detectives and officers discovered [REDACTED] escaped from a residence located at 630 Tennis Lane where (S) Caren Ramirez, (S) Michael Schumacher, and (S) Kelly Schumacher held him captive since mid-2007. [REDACTED] was frequently beaten, denied food for days at a time, and forced to remain for long periods inside the residence's wood-burning fireplace. Though currently 16-years-old, he appeared much younger due to malnourishment, and his body was predominantly covered with soot, sores and scars (new and old). [REDACTED] subsequently explained he was regularly hit on the head with a baseball bat, and was once cut with a knife and strangled with a belt until he lost consciousness. On one occasion, he was asleep in (and chained to) the fireplace when one of the suspects purposefully lighted it, resulting in a significant burn-injury on his left arm. He was never permitted to leave the residence and at all times was either chained to the fireplace or a heavy, practically unmovable table. His ankle was injured and seemingly permanently indented from the chain that encompassed it. Additionally, [REDACTED] explained his captors forced him to ingest unknown pills, consume alcoholic beverages, and smoke marijuana in order to continuously keep him in a lethargic state.

[REDACTED] mentioned the suspects who held him captive drove a white SUV, and officers located a white Ford Excursion, California license plate # [REDACTED] in a residence's driveway located at 630 Tennis Lane — the residence's backyard is separated from the In Shape City parking lot by a sound wall. A neighbor contacted at [REDACTED] Tennis Lane recalled occasionally seeing a teenage male at the residence, and mentioned it appeared he was maltreated. Officers conducted a protective sweep inside the suspect-residence in order to locate additional possible suspects, and while inside they discovered a blanket inside the fireplace. The victim's photograph was subsequently shown to the residents at [REDACTED] Tennis Lane [(W) [REDACTED] and (W) [REDACTED], and they identified [REDACTED] as the boy they saw at 630 Tennis Lane.

(S) Caren Ramirez, (S) Michael Schumacher, and (S) Kelly Schumacher were subsequently arrested for various child abuse charges including torture and kidnapping and all acknowledged participating in varying degrees in the victim's abuse.

Detectives located an HP Pavilion 500 computer in the upstairs office. Michael and Kelly Schumacher acknowledged the computer belonged to them, [REDACTED]

It is hereby ordered this entire search warrant and statement of probable cause / affidavit be sealed because disclosure could irretrievably harm the ongoing criminal investigation. In accordance with California Rules of Court Rule 243.1(d), this court finds:

- There exists an overriding interest that overcomes the right of public access to the record;
- The overriding interest supports the sealed record;
- A substantial probability exists the overriding interest will be prejudiced if the record is not sealed;
- The proposed sealing order is narrowly tailored;
- No less restrictive means exists to achieve the overriding interest.
